## **Reciprocal Clubs**

Members of the Petroleum Club are also entitled to enjoy guest privileges at other fine private clubs around the world. The Clubs operate independently of each other and the Petroleum Club; therefore they follow their own rules and regulations. Your Petroleum Club member card and / or a letter of Introduction from our Club may be necessary to gain entry into another club. Generally the Petroleum Club members can make reservations directly with a reciprocal club, with the Petroleum Club faxing a letter or introduction prior to visiting the reciprocal club.

For accounting purposes, whenever possible, it is greatly appreciated if members would settle their charges directly with the visiting club rather than bill the Petroleum Club. If you need any assistance in making a reservation please call the office.
